Gaylord Hospital was founded in Wallingford, Connecticut in 1902 as a tuberculosis sanatorium and provided long-term treatment options during the 50-year epidemic. Gaylord’s expertise became recognized nationwide, and many well-known individuals, including American playwright Eugene O’Neill, took advantage of its rehabilitative care and services.

Partnership Results

- Safe Patient Handling Program reduced total annual injury costs by more than $400,000 since 2005
- Return-to-Work Repeater Program helped reduce employee injuries by 60% since 2009
- Interdisciplinary Executive Workers’ Compensation Committee meets monthly to review accidents and implement corrective action plans
Gaylord Hospital says…

“PMA has been a great partner to Gaylord. They’re not only helping us to reduce our costs, but also suggesting and helping to implement best practices that are ensuring employee safety and sustained cost savings.”

— Janine Epright
Chief Financial Officer,
Gaylord Hospital
